

Yealands Classic Fighters places heritage aviation on display in an action-packed three-day weekend, amid the magnificent scenery and vineyards of Marlborough during grape harvest time.

The 2019 show will be held over the three days of Easter, **Friday 19th – Sunday 21st April 2019.**

Friday is the official practice day and is treated as a normal show day with gates opening to the public at 8am. Gates will open again from 3.30pm for ticket holders to the Friday night Marlborough Lines Twilight Extreme show, with sunset flying, entertainment and a fireworks spectacular running from 4pm – 7pm. The Twilight show is very popular with families.

The main show days are Saturday and Sunday. Gates open to the public at 8am, with the show programme running from 10am – 4pm.

Kids FunZone amusements must be operating over all three days of the show, however staying open for the Friday night Marlborough Lines Twilight Extreme show (4pm – 7pm) is optional. You will need lighting at your site if you wish to trade over this time.

Kids FunZone sites are strictly limited so please get your application in early to avoid disappointment. Once your application is accepted, an invoice for 50% deposit will be issued for immediate payment to secure your site. Payment in full is required no later than Friday March 1st 2019, or your site may be cancelled.

Kids FunZone operators are supplied with 2 x Three Day Trade passes for staff and 1 x Trade Vehicle pass to the Trade Exhibitor carpark. Additional passes for staff can be ordered on your application form or prior to the show (please contact Jo at the office). Additional staff vehicles must park in the public car parking areas. Please note: It is up to all operators to ensure their staff have appropriate passes prior to the show. These will be checked at the Trade Gate and **absolutely NO trade staff will be permitted on the airfield without a pass.**

Power is available to your site at an additional cost. If a power connection is required to your site, please provide all information requested on the application form.

The theme for the 2019 show is **Saluting Women in Aviation**. As we celebrate New Zealand's momentous 125th Anniversary of women's suffrage in 2018, what better way to celebrate famous women in aviation in 2019! So, get googling, have fun and be creative decorating your site (and your staff) to reflect the theme! The best themed site wins a complimentary site to the 2021 show! Don't hold back!
